GRANTS (since 2015):

National Geographic Education Foundation

Network of Alliances Grant, 2017

Washington Geographic Alliance

Eastern Washington University

Board of Trustee's Diversity Initiative, 2016

EWU Interactive Accessibility Map

CONTRACTS (since 2015):

Ice Age Floods Institute, 2021

Ice Age Floods in the Pacific Northwest Map Revisions

Spokane Regional Transportation Council, 2020

GIS Freight Analysis Study

SERVICE:

University

Chair, Department of Geography and Anthropology (2005–2014; 2017-2020)

Director, Certificate in Geographic Information Systems (classroom and online)

College of Social Sciences Personnel Committee

Member, Unit Personnel Committees for the College of Social Science

Departmental Computer Committee

Advisor for GIS Graduate Students

Service as Third Member for Master's Students

Professional

Editorial Board Member, *Geographical Review*

Manuscript review multiple journals

Community

GIS support for local community as needed

College in the High School faculty mentor

Science Olympiad faculty volunteer

STEM SuperStar, Project Science (promoting girls in science)

Facilitate student internships and maintain professional contacts with local GIS community
