Dear EWU Students,

Today is all about outlining your opportunities to stay connected and engaged with campus while we all practice socially distancing.

You have several ways to stay connected, remain engaged and have your voice heard.

- **Take part in the upcoming ASEWU election process.** ASEWU is your student government, and the people you elect will speak for you at the table with University faculty and administration. For more information on elections, the candidates and when to vote, follow ASEWU on [Instagram](#) and [Facebook](#).
- **Serve on the [EWU Board of Trustees](#).** Right now, the EWU Board of Trustees is [seeking applicants](#) for the 2020-2021 academic school year. The term is July 1, 2020 to June 30, 2021.

[Applications](#) will be accepted until **Thursday, April 16, 2020, 11:59 p.m.** If you have any questions, contact the ASEWU Office at 509.359.2514.

- While we may not be gathering in person this spring to honor all our graduates have accomplished, we are working on a number of ideas to help everyone celebrate. Stay tuned for opportunities to get involved and cheer on our soon to be Eagle Alumni!
- Reach out to that [Campus Recreation](#) and [Student Activities, Involvement and Leadership](#). Staff are here to help you connect with your fellow students, de-stress and ensure your mental, physical, and social wellbeing.

We know this is not EWU as normal. Connection, even from a safe social distance, will help us persevere and thrive.

Be well and know we are here for you. We're cheering you on, and reach out if you need us.

Sincerely,

Interim Associate Vice President For
Student Life & Dean of Students

Interim Associate Vice President,

On Friday you received an email with important information about financial resources during the period of COVID-19. We also updated the [financial aid website](#) with several key resources.
