How will I know if I am eligible?

After the attached application is processed, you will be notified by the Direct Loan Servicing Center of your eligibility. Generally, you are eligible if:

- Your student filed the Free Application for Federal Student Aid (FAFSA) for this academic year
- You do not have an adverse credit history (a credit review will be completed)
- You are not in default on a federal student loan, including Federal Direct PLUS loan
- You meet the other eligibility requirements outlined on your loan application

What's next?

- If you have not borrowed a PLUS loan for this student in the past, complete the PLUS Master Promissory Note (MPN) at studentaid.gov. The parent completing this form must be the parent who completes the MPN.

What is the interest rate for a PLUS loan?

The PLUS loan has a fixed interest rate of 7.54% for loans disbursed prior to July 1, 2023. The loan has an origination fee of 4.228% at each disbursement.

When will repayment begin?

Parents have the option of beginning repayment either 60 days after the loan is fully disbursed, or six months after the dependent student, on whose behalf the loan was obtained, ceases to be enrolled at least half time. The Direct Loan Servicing Center manages repayment of PLUS loans. If the parent borrower wishes to select the delayed repayment option, they need to contact their federal loan servicer. Interest accrues as soon as the first disbursement is made, including periods of deferment. You will have 10 to 30 years to repay, depending upon the repayment plan you select.

What if my PLUS loan is denied due to the result of my credit review?

If your PLUS loan is denied due to the result of your credit review, you will receive notification from the Direct Loan Servicing Center. You may choose from the following options:

- You may try to have a credit status override completed by the Direct Loan Servicing Center. Contact the Direct loan Servicing Center at 1-800-557-7394. You will need to complete the PLUS Credit Counselling at studentaid.gov as part of this process.
- You may have a third party endorser cosign the PLUS loan application with you. Go to www.studentaid.gov, sign into your account, select Apply for Aid, and Endorse a PLUS loan. If additional information is needed, contact the Direct Loan Servicing Center at 1-800-557-7394.
- You may choose not to pursue the denied PLUS loan and your student may borrow additional funds for the current academic year through the Unsubsidized Federal Direct Loan Program. The additional unsubsidized loan is limited and may not replace the same dollar amount as the PLUS loan offer. If you need funds up to the amount of the PLUS loan offer, alternative loan options are available. See www.elmselect.com for information on Alternative Loans.
